## THE GRAPES

Our Semillon comes from our Silverburn Vineyard.

*Rutherglen's continental climate is ideal for the production of Semillon. We aim for a balanced style, with varietal grassy notes, ripe citrus fruits and balancing oak.*

Favourable vintage conditions in 2016 enabled us to produce some excellent white wines with intensity of flavour and great depth of varietal fruit.

The fruit was harvested in the early morning with only a light pressings fraction. The ferment was initiated in stainless steel and transferred to 3 and 4 year old French oak puncheons for completion. The wine was matured in oak for a further 9 months before bottling.
