

THE BARKLY DURIF 2015

THE GRAPES

Durif from 45 year old vines in our Silverburn vineyard.

The Barkly is what we believe Durif from the Rutherglen Wine Region should be. Unquestionably, it is Durif at its finest. Campbells only release The Barkly in years when vintage conditions are exceptional for Durif.

The 2015 release is a great example of what we strive to achieve with this iconic Rutherglen variety.

Select parcels of premium fruit were fermented on skins in closed fermenters for six days and then aged in 2-3 year old French barriques for 24 months.
