

RIESLING 2017

THE GRAPES

Riesling from our Silverburn vineyard adjacent to the winery.

We have been growing Riesling in our vineyards since the 1890's and in that time have developed our own regional style, with abundant fruit flavours and wonderful balance. Our aged Rieslings are wines of remarkable complexity and flavour, of which we are very proud.

Vintage 2017 provided near perfect growing conditions with good winter rains followed by Rutherglens renowned Indian summer. These conditions have produced an elegant wine, with varietal character and crisp acidity.

The fruit was picked in mid-February, early in the morning to keep the fruit as cold as possible. Only the lightly pressed juice was captured to produce pristine juice high in acidity and without phenolics. The juice was fermented in stainless steel with a neutral yeast and temperature controlled to preserve aromatics.
