PRODUCTION

Alc.	17.5%
Bé	10.5°
RS	190 g/L

The grapes are left until late in the season to achieve optimum ripeness, ensuring maximum fruit flavor and a high degree of natural sweetness. Selected parcels of the finished wine are then added to the Rutherglen Topaque solera which is a blend of a number of vintages from many past years. Wine can only be withdrawn from this solera when it matches exactly with the previous withdrawal thus ensuring the quality and consistency of style.
