

RUTHERGLEN DURIF 2022

THE GRAPES

Durif grapes from our Rutherglen vineyards.

Our Rutherglen Durif, made from the original Durif of Rutherglen clone, is a rare variety that flourishes in Rutherglen. Durif is renowned for its powerful tannins and usually requires some bottle age prior to drinking. However, our Rutherglen Durif has been carefully nurtured, through the use of sophisticated winemaking techniques, to produce a wine able to be enjoyed either while young.
